

Comfort-King™ Agility is the ideal dog sport matting solution for trainers seeking durability with safe and cushioned landings!

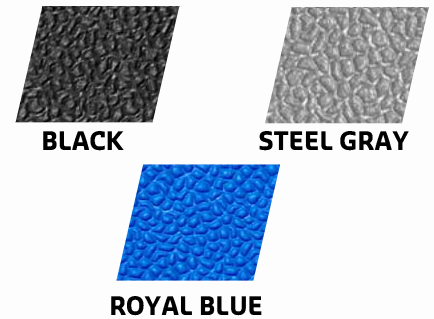

- Extra bounce reduces stress on dogs joints and stimulates muscles and blood flow
- Provides excellent traction significantly reducing and usually eliminating pad burns
- Greater softness reduces impact of dogs forelegs, shoulders and back
- Maximum comfort for handlers with reduced stress on legs and back
- Sure footed take offs and superior traction in between obstacles

COMFORT-KING™ AGILITY APPLICATIONS

Used indoors for dog training facilities with medium to high traffic e.g.: Agility Training and Competition, Obedience Training and Doggy Daycare Facilities
