

Tuff-Spun® Flyball is the only dog sport matting product designed for Flyball. Mat edges are 30% stronger to better withstand frequent taping.

- Preferred matting for tournaments where mats are moved frequently and taped
- Protects dogs by reducing stress to paws, hips and knee joints.
- Offers comfortable surface for canine and handler

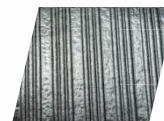

**TUFF-SPUN® FLYBALL APPLICATIONS**

Use indoors or outdoors for flyball tournaments where mats are taped

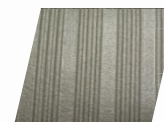

**FEATURES**

- Provides positive footing
- Available only in slip resistant rib surface
- Colors: Black is standard stock color
